FOREWORD

Following this Foreword are the reports and summaries of the several departments of the Town of Derry. As will be noticed by these reports a close scrutiny has been maintained by all departments. Any overdraft of expenditure has been very slight, while others have been slightly under estimated expenditure.

Last annual meeting did not change the Budget Estimates in any amount. The Selectmen and department heads have tried to reflect this confidence by tightly controlled expenditures.

Our Sewer System is now completed. We have a balance in the Construction Account which by vote at annual meeting will be used for extension purposes and will not reflect any additional cost to the taxpayer. A coverage report on this project will be found in the following pages.

The Sewer System has been inspected and approved by Federal and State authorities. Many visitors from other towns have also viewed this project. The remarks from these visitors have been very gratifying. The Board of Selectmen wish to publicly compliment the Engineers for a very complete and efficient System. The Contractors also deserve much credit for completing this large project in record time.

Ross's Corner has become the site of a new modern Shoe Factory of considerable size. We expect to see this factory ready for occupancy by early August. We believe this will afford attractive employment for many workers both in and around Derry.

We trust the following report will explain to the Taxpayer the operation of the Town and cover all items which may be of interest to you.

Respectfully submitted,

SUMMARY OF FINDINGS AND RECOMMENDATIONS

December 8, 1959

Board of Selectmen

Derry, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Derry which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

"Audit on Motion of Commission. The (Tax) Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit. xxxxxxxxxx"

This audit covered the fiscal year ended December 31, 1958, and the period from January 1st to October 31st, 1959. Exhibits as hereafter listed are included as part of the report. Also included is a Statistical Table presenting a Ten Year Statement of Indebtedness, Valuation and Taxes.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Water Department. A separate report is submitted for the Water Department.

A statement of outstanding long term indebtedness as of December 31, 1958, showing annual debt service requirements, is contained in Exhibit E.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTSIndebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from December 31, 1948 to December 31, 1958, the financial condition of the Town changed from a Surplus of \$33,145.66 to a Net Debt of \$1,173,267.99. These figures reflect the water debt as well as the other town indebtedness.

During the same period the assessed valuation of taxable property increased from \$5,936,911.00 to \$7,200,663.00, or 21%. The amount of the annual tax levy increased from \$284,879.62 to \$582,312.04, or 104%.

The average local tax rate increased from \$4.80 to \$8.04 per hundred, compared to the average tax rate for the State which increased from \$4.06 to \$5.15 during this period.

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$36,164.88 to \$23,646.01 during 1958, as shown herewith:

	<u>December 31, 1957</u>	<u>December 31, 1958</u>
<u>Total Assets</u>	\$151,381.43	\$151,206.73
<u>Current Liabilities</u>	<u>115,216.55</u>	<u>127,560.72</u>
<u>Current Surplus</u>	<u>\$ 36,164.88</u>	<u>\$ 23,646.01</u>

Tax Records:

(Commitment of Poll and Head Taxes)

It was noted that the only record of poll and head taxes consisted of file cards on which the names and amounts due from taxpayers were recorded. The law specifically provides that tax lists and warrants shall be made by the Selectmen and delivered to the Tax Collector in the case of both poll and head taxes. (RSA 76:12 and Laws of 1959 - Chapter 8: Section 4)

In conformance with these provisions of the law, poll and head tax lists should be made out on suitable forms indicating the name of taxpayer and amount of tax, with provision for the Collector's entries of tax payments. Proper warrants should be given the Collector at the time of commitment.

It was not possible for the Auditors to prove the poll and head tax warrants or the uncollected taxes because of the card system and the absence of tax lists.

(Added Poll and Head Taxes)

Poll and head taxes which are assessed subsequent to the commitment of the original warrant should be recorded separately in the Collector's warrant book and the Collector given a supplemental warrant for such added taxes.

(Abatement of Poll and Head Taxes)

The Collector should receive an abatement order in writing from the Board of Selectmen authorizing the abatement of any poll or head tax and all such duly authorized abatements should be recorded by the Collector in the warrant books. (RSA 76:16 and Laws of 1959 - Chapter 8: Section 12)

(Record of Invoices and Taxes)

A permanent record of the assessed valuation of the property of each individual taxpayer as well as the taxes assessed should be made annually by the Town Clerk as soon as the inventory has been completed by the Board of Selectmen. This is in accordance with the provisions of RSA Chapter 75: Section 7, as quoted herewith:

"76:7 Record of Invoices and Taxes. A fair record shall be made of every invoice taken by the selectmen, and of all taxes by them assessed, in a book of records of the doings of the selectmen in their office, which shall be the property of the town; and a copy thereof shall within thirty days after said invoice has been completed be left with the town clerk, or the original invoice and assessment shall be so left and recorded by him, and both records shall be open to the inspection of all persons. The record of real estate shall contain the name of the owner, if known; otherwise the name of the original owner, if known; the number of the lot and range, if lotted, otherwise such description as the land may readily be known by; the number of acres, if known; and the amount of taxes assessed thereon."

(Tax Sale Record)

A record of each tax sale held by the Collector should be kept on the prescribed form of tax sale record sheets. These provide columns for all pertinent information relative to the sale of each piece of property and the redemption therefrom.

Town Clerk's Cash Book:

The Town Clerk should keep a record of each motor vehicle permit and dog license issued in the prescribed form of Town Clerk's cash book. This is required by Chapter 260: Section 31, of the RSA, which provides in part as follows:

"260:31. Accounting for Receipts. Each designated city official and town clerk shall keep an account of the money received by him for said permits and deposit the same in the city or town treasury on the last Saturday of each month, to be used for the general purposes of the city or town. xxxxxxxxxx"

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Derry for their assistance during the course of the audit.

Yours very truly,

SEWER CONSTRUCTION

Persuant to vote of Annual Town Meeting March 12, 1957 to wit: "To see if the Town will authorize the Selectmen to apply, negotiate, and do all other things necessary to obtain such Federal, State or other assistance as may be available for the planning and construction of a disposal system as outlined in Article 3 above, and pass any vote relating thereto."

Estimated Cost Construction:

Lateral Sewers	767,800.00
Intercepting Sewers	225,300.00
Sewerage Pumping Station	100,000.00
Treatment Facilities (Lagoons)	224,000.00
	<u>\$1,317,100.00</u>

Bond Issue	1,127,000.00
Town Trust Funds	26,835.03
Federal Aid	164,496.84
	<u>\$ 1,318,331.87</u>

Computing our figures we have an estimated balance over costs of \$1,231.87. The above figures were based on current construction costs under conditions similar to those expected to be encountered in Derry and they include an allowance for engineering and contingencies.

The cost of Y entrances to the subscribers property line was not included in the total estimate. Therefore, an assessment was necessary to finance the cost of the Y entrances. Four (\$4.00) dollars per foot was established to take care of the \$87,000.00 cost of these Y entrances. Further study of the construction program revealed that our actual costs would reflect a substantial reduction from our original estimate. Considering that subscribers living on wider streets would pay more than those living on streets of lesser width, it was considered by the Board of Selectmen and Sewer Committee that an equal assessment to all would be in the best interest to Sewer users. Therefore, an assessment of Sixty Dollars (\$60.00) for entrance fee was established. This reflected a total saving to the Sewer subscriber of approximately Thirty Four Thousand Dollars (\$34,000.00).

We trust this review will help to clear up the apparent controversial issue of the \$60.00 entrance fee.

REPORT OF LIBRARIAN

The following gifts have been made to the Library during the past year:

Dr. Edgar Taylor presented a shelf of books in memory of his mother, Frances Taylor Tewksbury.

Rev. and Mrs. Joslyn gave a valuable collection of minerals and books.

The Girl Scouts donated \$150.00 with which books were bought for the Junior Department.

Mrs. Charles Barker presented an India ink drawing which belonged to the MacGregor family and which is now on display in the reading room.

Many others made gifts of books and library material.

Our thanks to all these friends of the Library for their generous contributions which will help in our service to the community.

REPORT OF THE TRUSTEES

Changes have come to pass at the Library this year. The retirement of our highly esteemed Librarian, Miss Edith Hall came in December. She was honored by the townspeople and her many friends at an Open House and Tea given by the Trustees. Miss Hall completed thirty-five years of service and served as Librarian since 1938.

Mrs. Christine Butman accepted the position as Librarian and is well qualified for the roll, having served as assistant since 1947. She is well versed in books and education having served prior to that as Principal at Floyed School.

It was voted by the Board to close the Library at 5:00 o'clock instead of 8:00 o'clock on Saturdays.

A new vacuum cleaner was purchased for the use of the Library.

Two window screens for the Library were gifts from Mr. Franklin Allgeyer, to whom we extend our sincere thanks.

We are very proud of our newly redecorated Library and urge those of you who have not been in to view it to do so. Also, to get acquainted with the new staff and browse among the books and magazines made available to you by our town of Derry.

DERRY

To the Trustees of the Taylor Library:

It will be noted that the circulation has fallen off this past year. We attribute it to the fact that East Derry has been visited by a moving population, many of whom have not stayed long enough to become acquainted with the Library, and also to the fact the school libraries are becoming better equipped.

Our steady patrons show the same high-grade interest. Mrs. Estel Babson recently presented the Library with a check for One Hundred Dollars (100.00), to be used currently for books.

In November there was held at Salem a neighborhood Library meeting under the auspices of the State Library. Basic Reference Books for your Library was the topic presented. At the close of the meeting each Library was allowed to make a wish for some one volume on display. We chose the latest-edition of the American College Dictionary. Your Librarian and Mrs. Dearth attended the meeting.

As usual we had the lovely Christmas wreath, the gift of Mrs. Harding.

The Librarian regrets that she had to be absent from duty. She wishes to express her appreciation of the kindness of the Trustees during her absence and thanks to Miss Mary La Couture of the Pinkerton's Academy Staff during the year for help.
